

GERARDO CABALLERO

Gerardo Caballero was born in Totoras, Argentina, in 1957. He studied at the Architecture School of the National University of Rosario from 1976 to 1982. As a student, between 1978 and 1981, Gerardo works in Shiira-Albano office, in Rosario. From 1983 to 1985 he works as a collaborator in Corea-GallardoMannino office, based in Barcelona. In 1986 Gerardo moves to the USA and obtains his Master in Architecture, Washington University, Saint Louis.

In 1988 Gerardo moves back to Argentina and starts his professional career in Rosario, being partner with Architect Ariel Giménez up to 1992. In 1993 he founds Caballero Fernández Arquitectos together with Maite Fernández, which continues until 2013. Since 2013 he works on his own.

He has been invited by the University of Arkansas, Kansas University, Graduate School of Design Harvard University, Pontificia Universidad Católica in Chile, University Andrés Bello, University Diego Portales and University of Talca in Chile, Mas Fisher Chair University of Michigan, University Torcuato Di Tella and University of Palermo in Buenos Aires, and by the Lebanese American University in Beirut. Since 1993 he is Professor for International Programs for Graduates, offered by the Washington University in Barcelona and Buenos Aires.

Gerardo's works have been recognized, exhibited and published in America and Europe, and he has received many prizes and awards, as well as honorable mentions in national and international architectural design competitions.

He is a founding member of Group R in Rosario.
